

GSC Approved Conferences History

15 conference hours are required to complete your CPM. Listed by year are examples of some of the conferences that have been approved. This should help you see the kinds of conferences that are acceptable for this requirement.

Remember, you must send GSC an Approval Request Form and receive approval prior to attending conferences. After completing an approved conference you must send GSC a copy of your certificate of attendance or your supervisor must send a confirmation email stating that you did attend.

The contacts at GSC for conference approvals and confirmations are:
